MINUTES OF THE BOARD OF STUDIES MEETING

The Board of studies of B.Com Computer Applications of Sri Ramakrishna Mission Vidyalaya college of Arts and Science (Autonomous, Reaccredited by NAAC with 'A' grade) Coimbatore-20 met at 3.00P.m on 24.06.2016 in the un-aided seminar hall.

The Board has recommended and passed the following changes in the syllabus for three years (I,II,III) for the students admitted from the academic year (2016-2017) onwards.

1. In order to enable the students to get practical exposure in the field of auditing, they were provided with choice of choosing Internship training in auditor's office or they can undergo industrial training already existing in the syllabus of fifth semester. The department will facilitate the interested students to get internship training in auditor's office.
2. Students were provided with the choice of choosing any one subject in every semester from other majors to increase their credits according to their potentiality starting from second semester to sixth semester. The Examination for these self study papers were conducted on open book access system. (i.e.) Students can bring books to write the examination. This course carries three credits in each semester. This extra credit course is applicable for the students admitted from 2014-15 & 2015-16 also.
3. In fourth semester the existing "Visual Basic & Oracle" and "VB & Oracle" Practical papers has been removed and "Fundamentals of Java programming" and Java Practical paper has been introduced.
