The following modifications are carried out

S.No	Exiting Content	Modified Content
1.	Environmental Studies is modified as off calendar course	Semiconductor devices - I is introduced as Core-2 in Semester I
2	1. Core-2: semiconductor Devices is removed in Semester II. 2. Value education is modified as off calendar course in the second year.	1. Electronic Circuits is introduced as Core-3 in Semester II and Semiconductor devices-II is introduced as Core-4 in Semester II. 2. Environmental Studies is introduced in Semester II as calendar course.
3	Core-3: Electrical Machines and Instruments is removed in Semester III	Core-5: Electronic Instruments is introduced in Semester III
4	1. Core-7: Electronic Circuits is removed in Semester IV. 2. Biomedical Instrumentation and T.V & Satellite Communication are removed in Group-I as Elective-I in Semester IV	1. Core-9: Antenna & Wave Propagation is introduced in Semester IV. 2. Mobile & Cellular Communication and PC hardware fundamentals are introduced in Group-I as Elective I in Semester IV. 3. Value education is introduced in Semester IV as off calendar course.
5	1. Core-8: Antenna & Wave Propagation is removed in Semester V 2. PC hardware fundamentals is removed in Group-II as Elective-II in Semester V	1. Core-10: Biomedical Instrumentation is introduced in Semester V 2. Arduino and Internet of Things and Data Science-I are introduced in Group-II as Elective II in Semester V
6	1. Core-12: Modern Instrumentation is removed in Semester VI 2. Embedded system Design, Domestic Electric & Electronics Appliances and Digital & Mobile Communication are removed in Group-III as Elective-III in Semester VI	1. Core-14: Embedded system Design is introduced in Semester VI 2. Automotive Electronics, VLSI Design and VHDL, Digital Signal Processing and Data Science-II are introduced in Group-III as Elective III in Semester VI
