## Stakeholders' consolidated feedback report on undergraduate curriculum (2018-2019)

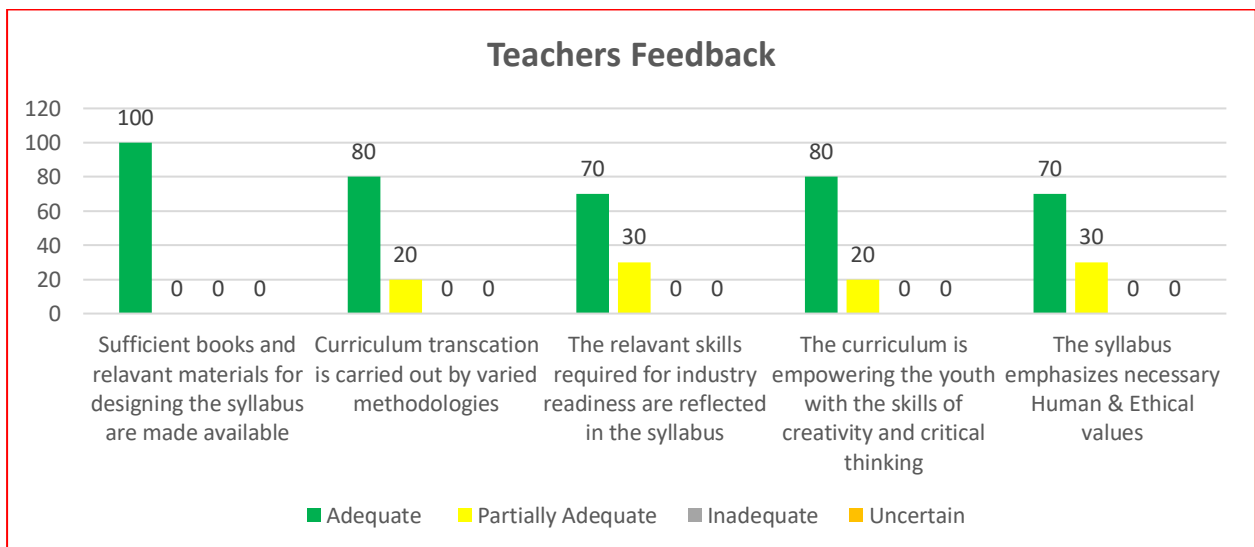

### Students' feedback chart:

### Suggestions:

- Provision for more Certificate Courses.

### Teachers' feedback chart:

**Availability of books and materials:**

All of the faculty members felt that the resources are adequately available for the existing programme offered in the department.

**Methods applied to Curriculum transaction:**

Most of the faculty members felt that the teaching methods used for curriculum transaction are adequate. New methods/strategies of teaching may be integrated for curriculum transaction.

**Preparedness for career placement:**

70% of the faculty members felt that the relevant skills required for industry readiness are adequately reflected in the curriculum. Other faculty members felt that industry readiness is partially reflected in the curriculum.

**Development of Skills of creativity and critical thinking:**

Most of the faculty members felt that the skills of creativity and critical thinking in the curriculum are adequate.

**Integration of Human and Ethical Values:**

70% of faculty members felt that integration of values in the existing curriculum is sufficient.

**Theory and Practical**

Most of the faculty members felt that the proportionate weightage has been given to both theory and practical.

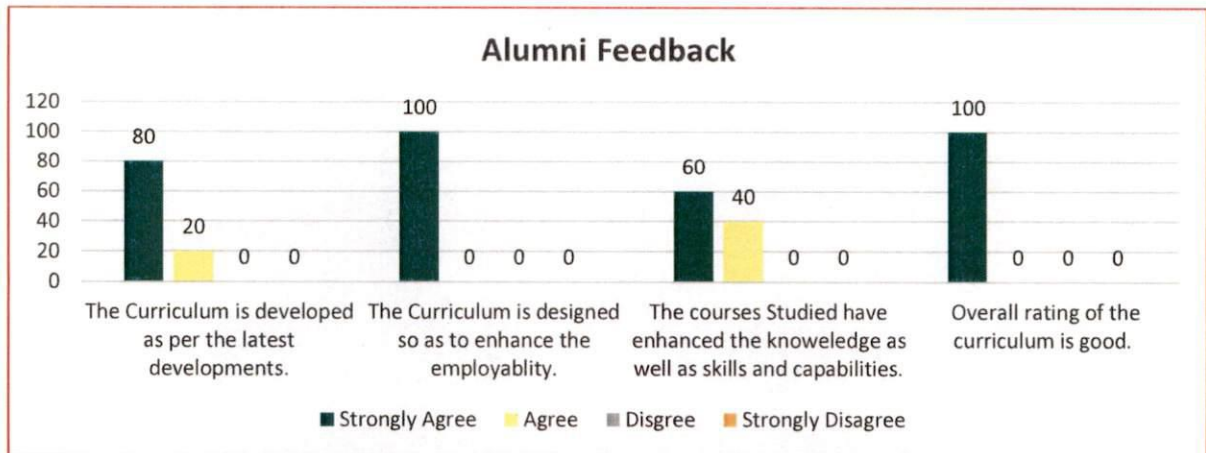

**Need for instilling flexibility in curriculum:**

Existing flexibility in the curriculum is sufficient.

**Suggestions:**

- The course “Commercial law” to be revised.
- The course “Consumer Rights” may be introduced as open NME course.

**Alumni feedback chart:**

**Suggestions: Nil**
