

Sri Ramakrishna Mission Vidyalaya College of Arts and Science
Coimbatore - 641020
Department of Commerce with Professional Accounting

Stakeholders' consolidated feedback report on undergraduate curriculum
(2018- 2019)

Teachers' feedback chart:

Availability of books and materials:

The faculty members felt that the sufficient books and materials are adequately available for designing the syllabus in the department.

Methods applied to Curriculum transaction:

The faculty members indicated that the teaching methods used for curriculum transaction are adequate

Preparedness for career placement:

67% of the faculty members felt that the relevant skills required for industry readiness are adequately reflected in the curriculum.

Development of Skills of creativity and critical thinking:

67% of the faculty members refer the skills of creativity and critical thinking in the curriculum are adequate. Thus, some more focus is to be given to these skills based on updating curriculum.

Integration of Human and Ethical Values:

The faculty members were highlighted the integration of human and ethical values in the existing curriculum.

Theory and Practical

The faculty members felt that the proportionate weightage has been given to every theory and practical.

Need for instilling flexibility in curriculum:

Most of the faculty members acknowledged the incorporation of flexibility into the existing curriculum. However, some refinement can be incorporated in the curriculum to meet the current trends.

Suggestions:

- Principles of Auditing course in the Fifth Semester may be removed.
- Computer Application Practical - III - Oracle course in the Third Semester may be remove.
- Computer Application Practical - III - Finance Analytics Using MS Excel course to be introduced in the Third Semester.
- Computer Application Practical - IV - OOPS C++ course in the Fourth Semester may be removed.
- Computer Application Practical - IV - Web Design Using HTML course to be introduced in the Fourth Semester.
- Non - Major Elective - I - Constitution of India course in the Third Semester may be replaced with Grammar and Communication course.
- Non - Major Elective - II - General Awareness course in the Fourth Semester may be replaced with Entrepreneurship Development course.
- Sale of goods act 1930 has to be replaced with Contract of agency act in Mercantile Law course.
- Law of Supply has to be added in Managerial Economics course.
- Standard Costing has to be added in Cost Accounting course.

**Stakeholders’ consolidated feedback report on undergraduate curriculum
(2017- 2018)**

Teachers’ feedback chart:

Availability of books and materials:

Most of the faculty members felt that the resources are adequately available for designing the syllabus in the department.

Methods applied to Curriculum transaction:

About 80% of the faculty members indicated that the teaching methods used for curriculum transaction are adequate. Henceforth, it is warranted that new methods/strategies of teaching need to be integrated for curriculum transaction.

Preparedness for career placement:

All faculty members felt that the relevant skills required for industry readiness are adequately reflected in the curriculum.

Development of Skills of creativity and critical thinking:

90% of the faculty members refer the skills of creativity and critical thinking in the curriculum are adequate. Thus, some more focus is to be given to these skills based on updating curriculum.

Integration of Human and Ethical Values:

90% of the faculty members were highlighted the integration of human and ethical values in the existing curriculum. Some more scope is identified for further enhancement of curriculum.

Theory and Practical

The faculty members felt that the proportionate weightage has been given to every theory and practical courses.

Need for instilling flexibility in curriculum:

Most of the faculty members acknowledged the incorporation of flexibility into the existing curriculum. However, some refinement can be incorporated in the curriculum to meet the current trends.

Suggestions:

- Introduction to Information Technology course may be removed.
- Certificate course is required.
