RAMAKRISHNA MISSION VIDYALAYA

Ramakrishna Mission Vidyalaya, Coimbatore, now a vast complex of 18 service wings, commence its educational activities in the year 1930 with the blessings of Bhagavan Sri Ramakrishna. The father of the Nation, Mahatma Gandhi laid the foundation stone of the first wing, a school.

Ayya Sri T.S. Avinashilingam, the Founder-Director, nurtured the institution with his visionary and devoted service. As envisaged by the great Swami Vivekananda, the Vidyalaya strives hard to impart man-making and character-building education to the youth, that are necessary to develop leadership, sense of responsibility and love for the country. Almost 83 years since its inception, the strength of the students is around 8500, of which hostellers constitute around 2100.

ABOUT OUR COLLEGE

Our college was started in the year 1964. Affiliated to the Bharathiar University, it was conferred with autonomous status in the year 1981-82. The college offers 15 UG and 6 PG programmes in both aided and unaided streams, besides offering 10 MPhil and PhD programmes. It was accredited and reaccredited by NAAC in the year 2003, 2009 and 2016 respectively. Student-strength is about 2000. The college has so far produced 405 MPhil and 92 PhD scholars.

OTHER INSTITUTIONS OF VIDYALAYA

I. T A T Kalanilayam (1940): This non-residential co-educational Middle School is catering the needs of students from the local community. About 600 students, mostly from families that are financially weak, study here.

II. Vidyalaya High School (1930): It is the oldest of the Vidyalaya institutions. About 250 students study in Stds. VI to X. Medium of instruction is Tamil. The concept of integrated education for the blind has been successfully implemented in the school for the last 20 years.

XII. Integrated Rural Development Scheme: The Vidyalaya has been rendering rural development service since the year 2002 under the title 'Vidyalaya Integrated Rural Development Scheme'. Economically backward residents of areas such as Arivoli Nagar, Jeeva Nagar, Ambedkar Nagar, Pudupudhur, etc. were benefited through various development activities undertaken there.

In commemoration of Swami Vivekananda's 150th Birth Anniversary, Rural Development Work was taken up at Sri Bharati Nagar, a rural area located around 8 kms. from the Ramakrishna Mission Vidyalaya, with the combined efforts of the extension service departments of all the institutions of the Vidyalaya.

XIII. SUPPORT SERVICES

Book stall: A bookstore / sales section has been in operation since June 2009.

Printing Press: A modern computerized press takes care almost all the needs of the Vidyalaya.

Hardware Department: With two engineers and one assistant engineer, located in the Polytechnic campus, takes care of the maintenance and repairs of all computers (around 700), printers, scanners etc. in the various institutions of the Vidyalaya.

Maintenance and Repairs Department: This takes care of practically all the requirements of the Vidyalaya, including the construction of new buildings etc.

Dairy and Goatery: About 30 milch animals are maintained to serve hands-on training to our students of the Institute of Agriculture and Rural Development.

Disabled Trainees' Vocational Production and Rehabilitation Centre: A Notebook Section has been in operation in the Vidyalaya campus since 1992. Besides catering to the needs for notebooks of our various institutions within the campus, the section takes orders on a selective basis from other institutions as well with the primary objective of providing employment to the economically backward and the physically challenged.

Ramakrishna Mission Vidyalaya Charitable Dispensary: The Charitable Dispensary of the Vidyalaya caters to a population of around 8000 students and 800 staff members and their families besides a large number of underprivileged people residing in the surrounding areas. In addition to regular general consultation, the dispensary also offers consultation by specialists in the areas of orthopedics, neurology, pediatrics, cardiology, gynaecology, diabetes, skin, asthma, dental, ENT, general surgery, etc.

Ramayana Park based on Indian epics - a project to promote Indian values: The Ramayana Park has been set up with the aim of taking our ancestors' individual, family, social, ethical, and moral values to the general public. The Park is an innovative and eye-catching attempt so where the children can exercise and recreation, and at the same time cultivate a mind to appreciate the Ramayana's subtle power of developing character, art, and culture.

CHOICE BASED CREDIT SYSTEM REGULATIONS

The CBCS is followed in this College from the academic year 2005-2006. The objective of the choice based credit system is to promote student centered curriculum and need based, flexible scheme of

learning and provide opportunity to students to earn more credits according to the capability and aspiration level. The following rules have been formulated to make the system function smoothly, with transparency and objectivity.

1. Each semester will consist of fifteen, six day weeks of actual teaching of five hours a day with ninety working days, excluding semester examination days. The day order will be followed with six day cycle.
2. Credit is the unit of weightage given to each course and the whole programme. Normally one credit is equivalent to one lecture or two hours of practical / field training per week. However credits assigned to a course and number of teaching hours per week need not be the same.
3. Each course is designed with 2-6 credits.
4. Each course will have a course teacher. Where ever necessary, a maximum of two teachers may collaborate in teaching a course in which, a teacher who teaches the major portion of the syllabus will be the course teacher.
5. Each department will have a staff advisor to guide students in the CBCS regulations and help the students to choose courses appropriate to his aptitude or inkling.
6. The medium of instruction for all courses, except Part I – Tamil, will be English.
7. Curriculum Design for UG Programmes will have the following components.

CIA (Continuous Internal Assessment) Tests

Every semester, three CIA tests for each paper are conducted.

The ratio of internal and external break up and the minimum marks to pass is given below in detail.

Evaluation of Part-I, Part-II and Part-III(Core and Allied courses).

Evaluation of student's performance for the theory and practical part includes two components:

1. Internal Assessment (25% of marks for theory and 40% of marks for Practical).
2. External Examination (75% of marks for theory and 60% of marks for Practical).

Part	Internal Marks	External Marks	Total Marks
I / II / III (Theory)	25	75	100

2. Seminars	15 Marks	
3. Attendance	10 Marks	
Total		40 Marks

Grand total is 60+40 (A+B) = 100 Marks. The mark obtained out of 100 mark is converted into a maximum of 25 marks (i.e 100/4).

Assignment / Seminar:

One Assignment / Seminar for each paper must be submitted / presented by a student in each semester. The marks allotted to this component will be awarded based on the performance of the candidate. CIA marks for practical are awarded based on the

performance of students in CIA practical test, neat maintenance of observation notebook & regularity and attendance.

i) CIA practical test:

For each practical, students will have one model practical examination. The marks obtained in the examination will be appropriately converted into marks for the CIA component of the practical.

ii) Observation notebook maintenance & regularity:

The marks allotted for observation notebook maintenance & regularity is based on the performance of students in writing procedure, accuracy of the results, regularity in attending practical class, which will be accounted based on the attendance maintained separately for practical class, and punctuality in the submission of observation notebook.

iii) Marks for Attendance (common for both Theory & Practical):

Every student should earn a minimum attendance of 75% to become eligible to appear for End-of-Semester examinations. The 10 marks allotted to these components under CIA of theory and practical will be awarded as given hereunder.

Percentage of General Attendance	Marks awarded
95 - 100	10

EXAMINATION RULES & REGULATION

Pattern of Examinations

The college follows semester pattern of examinations. Each academic year consists of two semesters and each semester ends, with the semester examination, on completion of 90 working days. A student should have a minimum of 75% attendance to be eligible to write the examinations. A student with 65% attendance will be

permitted to appear for semester examinations, for genuine reasons and on condition of compensating the required attendance in the subsequent semester and on payment of the condonation fee, as prescribed by Bharathiar University.

All Undergraduate programmes and MCA programme consist of 6 semesters and all Post-Graduate programmes consist of 4 semesters.

Supplementary Tests

If a student represented the college by participating in NCC, NSS and sports activities during CIA tests or if any one failed to appear for CIA tests due to genuine reasons, retest may be conducted on due representation to the Principal. On no other ground retest will be conducted.

Improvement

A student who passes a paper in the first attempt can reappear for the same paper in the succeeding End-of-Semester Examination only, for improving this. Re-appearance for improvement is allowed for theory and practical subjects of all semesters, except for the final semester subjects. Revised mark statement will be issued after withdrawing the previous one, if the marks obtained in improvement are higher than the marks awarded earlier. When there is no improvement, there shall not be any change in the original marks already awarded. The improved marks shall be considered for classification but not for ranking.

1. Reappearance

A student can appear for arrears in any semester in the case of external arrears.

2. Retotalling and Revaluation

Retotalling and Revaluation are permitted for UG and retotalling is permitted for PG students with certain well defined scopes and rules.

For every semester, a notification will be issued regarding the payment of semester examination fees. The students will be permitted to pay external examination fees with fine, if they pay after prescribed date, the examination fees will not be refunded under any circumstance. No fee is collected for internal examination.

Internal Quality Assurance Cell

This cell ensures the quality of performance of different activities, headed by the Principal and Coordinated by a Coordinator. The cell will be guided and monitored by a quality assurance committee constituted as per the norms suggested by the NAAC.

Grievance Cell and Examination Committee

There is a Grievance Cell as well as an Examination Committee in the college. The students may represent their grievances in writing to the Coordinator of Grievance Cell. The cell will forward the grievances other than examination related, to the grievance committee and examination related grievances to the examination committee. Both these committees will be chaired by principal.

Research and Faculty Enrichment Council

This council was constituted for the purpose of guiding young teaching staff in formulation of proposals and identifying the sources of funding and publishing research outcomes.

Career Guidance and Placement Cell

This cell will extend the guidance and placement service to all the students.

Curriculum Development Cell (CDC)

CDC coordinates various activities with regard to designing and restructuring the curriculum of various programmes offered by different departments of the college.

Guidance and Counselling Cell

Class teacher serves as a mentor to monitor the academic, personal and psycho-social activities of the students. Any unsolved issue at the mentor level is brought to the attention of the respective head of the department, who refers the student concerned to the Guidance and Counselling Cell for necessary action.

Literary Committee

It organises various literary programmes and competitions at regional and state level, in order to encourage the students to participate at various inter and intra college level contests being conducted by regional / state / national institutions.

Social and Environment Sensitization Club

The club plays a vital role in sensitizing the students and the community towards environmental protection. It organizes various programmes like street plays, meetings, photo exhibitions, documentary film shows, discussions and competitions to create awareness on eco-consciousness among the public.

Fine Arts club

The club encourages the students to perform on the themes of patriotic, religious and historical events, so as to instill the values, and our culture in our students. Their performance would be staged at various functions of our college.

Education

The term 'education' comes from the Latin *educere* which means propulsion from the internal to the external, i.e., a process of developing the inner possibilities and powers of an individual. As a process, it comprises all those activities which help the individual to develop his abilities and accommodate himself usefully in the society. Swami Vivekananda says: 'The training by which the current and expression of will are brought under control and become fruitful is called education. Thus education is a process which should incite the individual to think, to evaluate and finally to act.'
