International Conference on The Greatness of India

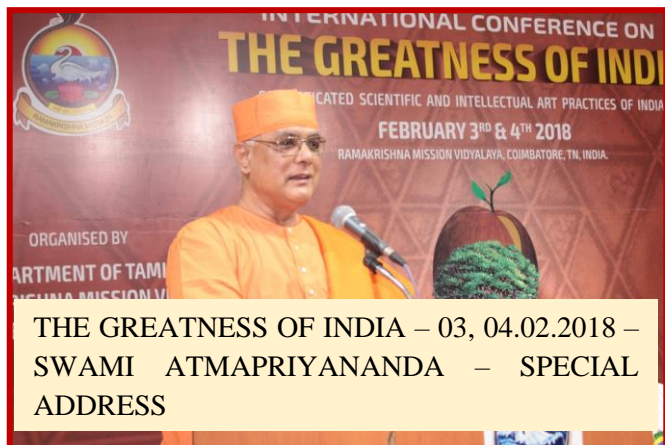

Report

Department of Tamil, ARI Foundation and NIRLAC, Coimbatore has jointly organized an International Conference on “The Greatness of India” in commemoration of 150th Birth Anniversary of Sister Nivedita. The Conference was held on 03rd & 04th February, 2018.

The conference was aimed to expose and illustrate the Indian Arts, Science, Literary aspects which makes India pride and to provoke research in it.

In the Inaugural function, special address was given by Revered Swami Atmapriyananda, Vice – Chancellor, Ramakrishna Mission Vivekananda Educational and Research Institute, Kolkata. He highlighted the sayings of Bhagavan Sri Ramakrishna for this Kaliyuga. He has mentioned that Tantra will promote effective changes in our community than Advaita and Tantra is not for reading but for practising. Swami Garishthananda, Secretary, Ramakrishna Mission Vidyalaya, Coimbatore presented his Presential Address and highlighted the service of Sister Nivedita to our Nation. Sri. P. Kumaraswamy, Chairman, Pioneer Group of Companies, Nagercoil in his Felicitation, quoted “Sound Body and Sound Mind” are the need of our society and believed that this Conference will definitely show the path for that. Sri. Suresh Manoharan, Managing Director, ARI Foundation, Coimbatore conveyed his happiness to collaborate with Sri Ramakrishna Mission Vidyalaya College of Arts and Science for this Conference. Dr. N. Shunmugom, Associate professor & Head, Department of Tamil, Sri

Ramakrishna Mission Vidyalaya College of Arts and Science in his Keynote Address mentioned that everyone of us will have to understand our Intellectual Knowledge like Tantra, Music, Medicine, etc... that will enrich our Young Indian Society as well as the World. A book comprised of 31 Articles was published and released during the inaugural. Dr. T. Balamurugan, Assistant Professor of Tamil delivered the Vote of Thanks.

Among 548 participants registered for this conference, 214 participants were students from various streams of education like Engineering, Medical, Siddha, Ayurveda, Arts and Science, Special Education, Education, Yoga and Isha Samskriti.

Four participants from England, Belgium, France and Sri Lanka and NRI Participants from Australia and Canada eagerly attended this Conference. In order to promote the Sophisticated Scientific and Intellectual Art Practices of India, Centre for Indian Intellectual Scientific Arts (CIISA) was inaugurated in the Conference. Fifteen Faculty Members and 75 NSS Volunteers of our college, 25 Volunteers from ARI and NIRLAC, extended their service in this conference.

Paper Presentations

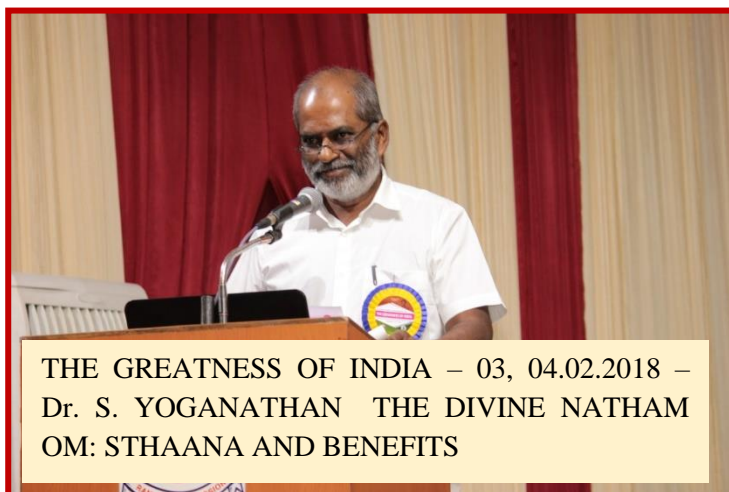

Thirty One research papers were presented in this conference. Among those 5 papers were by faculty members of our department and 26 papers were from various institutions.

The First session on 03.02.2018, was chaired by Dr. Ranjitham Swaminathan, Formerly Associate Professor of English, VCW, Erode concentrated on Agaara Natham. Five papers were presented under the titles. They are as follows: A South Indian Perspective of Tantra Mantra Yantra: An Overview, Uses of Mani in Tantra, Pranayama Tantric practices: Reaching the mother baby breath interface, Art of Bathing: The South Indian Tantric way, Usage of Mercury.

The second session was chaired by Dr. Yoganathan, Head, Department of Orthopaedics, IRT Perundurai Medical College, Perundurai, Erode concentrated on

Arul Natham. Six papers were presented under the titles. They are as follows: Jyotish – The Secret of Consciousness, The Heart of Indian Medicine: Varmakalai – In Tamil Language, Indian Classical Music, Rasavatham – An Overview of Role of Copper in Alchemy with special emphasis on Siddha System, Musical Instruments of India, The Traditional Indian Games for Children and its Scientific Perspective.

Third session was chaired by Dr. Krithiga, Vice - Principal, RVS Ayurvedic College, Coimbatore concentrated on Anaahatha Natham Three papers were presented under the titles namely, Explicating and Establishing the significance of Upanayana Samskara, Kayakalpa through Tantric Practices, Discovery of an Efficient and Extremely

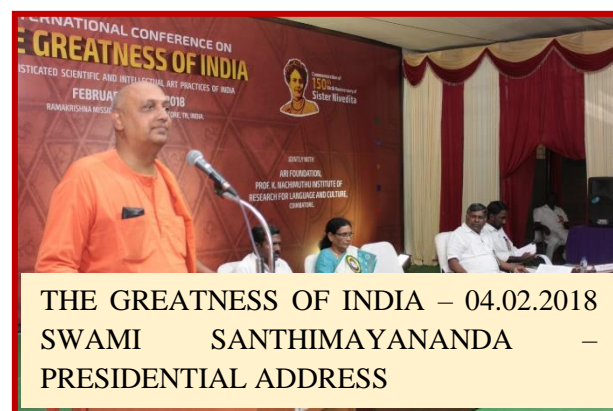

Powerful Medical System: Uniqueness of Ayurveda.

The fourth session on 04.02.2018, concentrated on Porul Natham. Four papers were presented under the titles. They are as follows: Atman: The Icon of Indian Spirituality, The Divine Natham Om: Sthaana and Benefits, Yantra : Lifestyle Management, Divine Sounds as Mantra Beeja: Emerging and Merging.

The fifth session was concentrated on Vaasi Natham. Three papers were presented under the titles namely, Indian Vedic Literature and Life style, Tantra Agama Literature Gleaned through Sanskrit Literature, Vethasakthi Varmam – The Basic Energy of all Yogic practices.

The sixth session was concentrated on Panjabootha Natham. Five papers were presented under the titles namely, Siddha Medicine and the Medical Greatness of India, Greatness of Ayurveda, Natyasastra as a Tantric text: A Semiotic Analysis, Abhinaya: A Short Introduction to the Unique Cultural Roots of Indian Classical Dance, Holistic and Creative Development through Indian Dance.

During the valedictory function Dr. R. Anand welcomed the gathering. Swami Santhimayananda, Secretary, Sri Ramakrishna Mission College of Education, Coimbatore delivered the Presidential Address. Special

Address was given by Dr. S. Kannammal, Formerly Head, Department of English, Vellalar College for Women, Erode. Dr. N. Shunmugom, Associate Professor of Tamil, Sri Ramakrishna Mission Vidyalaya College of Arts and Science, Coimbatore presented the conference report.

Shri. Palani, Assistant Superintendent of Police (Retd.), Salem and Dr. Latharani, Chennai gave the feedback about the Conference. Dr. R. Gokul, Assistant Professor of Tamil, Sri Ramakrishna Mission Vidyalaya College of Arts and Science, Coimbatore delivered vote of thanks. The program ended with the National Anthem.

Outcome(s) of the programme

The participants were able to;

1. Explore multiple facets of Indian arts.
2. Illustrate Scientific and Traditional aspects of India.
3. Acquire awareness on Indian Art forms.

Take up one idea. Make that one idea your life – think of it, dream of it, live on that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other idea alone. This is the way to success, and this is the way great spiritual giants are produced.

ABOUT VIDYALAYA

Ramakrishna Mission Vidyalaya was founded by 'Ayya' Sri. T. S Avinashilingam in the year 1930, to implement great education ideals placed before the country by Sri Ramakrishna, Swami Vivekananda and Mahatma Gandhi. It cherishes a life of purity, discipline, simplicity and nourishes the ideals of 'Work is Worship' and 'Labour is Love'. It inculcates the ideals of devotion to duty and sincerity in service. Vidyalaya believes that the greatness of a man is not to be judged by the work he does; but the attitude, outlook and devotion with which he does it. The youth of the nation should be trained to develop spiritual strength, intellectual independence and moral character. They must also learn discipline and capacity to work in co-operation with others. The students' life in the Vidyalaya is shaped with these ideals in view.

THE COLLEGE OF ARTS AND SCIENCE

SRMV College of Arts and Science was started in the year 1964 with Pre-University course. The degree courses were started in 1966 and Post Graduate courses in 1971. The M. Phil courses have begun in 1978 and affiliation for Ph.D courses was granted in the year 1979. The college of Rural Higher Education was amalgamated with this college in 1978. The college has completed 50 years of noble service in the field of higher education.

The college was conferred autonomous status for all Under-Graduate courses and two Post-Graduate courses in the Arts stream in the academic year 1981-82. The grant of autonomous status for science Post Graduate courses in the academic year 1995-96 made the college fully autonomous.

THE DEPARTMENT OF COOPERATION

The Post – Graduate and Research Department of Co-operation is one of the pioneering departments of the college. It has the distinction of inheriting the legacy of the College of Rural Higher Education (Ministry of Education, Government of India) which had existed before Arts and Science College, teaching Co-operation as a major subject since early 1960's for both UG, PG, M.Phil., and Ph.D programmes. The Department has so far produced 40 MPhil and 26 PhDs.

Theme of the Seminar

Empowering women has become a key element in the development of any economy. It has been found that there are various forums and NGOs working hard in this direction. The Indian economy has been substantially liberalized in recent years with an increasing role for small scale and private enterprise.

Startup Village Entrepreneurship Programme (SVEP) is meant for encouraging rural youth including women to take up local entrepreneurship programs. The long term vision of the SVEP is to provide support for startup to 1 crore village enterprises and provide direct employment to 2 crore people. The SVEP shall help the rural poor to come out of poverty by helping them set up enterprises and provide support till the enterprises stabilize. The SVEP will provide the supported enterprises with business stuffs, exposure, loans for starting and business support.

Alongside economic liberalization has come a drive to enhance the role of women with the right moves to ensure that women have at least 30% of seats in local council and many other elected bodies. As a result women are playing a more vital role in the economic side, there is always a tradition of education for middle class women in India and increasingly there is strong and growing group of professional women holding positions in Indian Universities and Government service. Women have also traditionally been involved in the informal economy, working in family business without formal position or pay. Thus, their economic contribution is often undervalued or just not mentioned at all. The Indian Government and the State governments have taken some steps to encourage women to setup small business. Several schemes and business brought economic and social reforms but not in significant manner. This leads to search for alternative ways to serve the rural poor in general and rural women in particular. In such search the women Self-help group is praise worthy. The main objective of the seminar is to understand the factors responsible for encouraging women to become entrepreneurs to form self-help groups, to identify the opportunities/ challenges for the women entrepreneurs and ways and means for promotion of women entrepreneurs to form different self help groups in the Indian context.

Sub Theme of the Seminar

1. Self-help groups and Women entrepreneurship
2. Micro Finance and Women entrepreneurship
3. Entrepreneurship among Rural women
4. Challenges and opportunities of Women entrepreneurship
5. Entrepreneurship Among Educated women.
6. Role of Banking Finance to Self Help Groups
7. Marketing strategies for Self Help Groups Products and related topics.

Notification Guidelines

The seminar articles should be unpublished, conceptual, empirical research papers and case studies on the above theme and sub themes. The selected papers will be published in an edited book with **ISBN**. All the papers are subjected to scrutiny by the technical expert committee.

- ❖ Full text and abstract should be single space and A4 size page with Times New Roman in font size 12.
- ❖ Maximum two authors per paper are permitted and each author should pay the registration fee separately. Abstract should not exceed 500 words, full paper including the title page, references and appendix should not exceed six pages (in word document format)
- ❖ Title page should have the Author's name, Affiliation of Institution, Contact Number and e-mail ID.
- ❖ The manuscript of the article should be sent to : velugriya@gmail.com
Paper should be send with Registration Form along with Registration fee.

Last date for the submission of Abstract with Full paper on or before 5th February 2018.

Report

The Department of Cooperation organized One-day National Seminar on “Women Empowerment and Rural Entrepreneurship in the Formation of Self-Help Groups: Challenges and Opportunities” sponsored by Indian Council of Social Science Research (ICSSR) on 16.02.2018 at Mini Auditorium of our College.

The objectives of the seminar were to provide training to the SHGs members to enhance the marketing strategies, to provide training to maintain accounts and to know the recent methods of accounting system, to enhance the ability of self-decision making and to empower the confidence among the SHGs members.

Dr.V.Ponnuswamy, Principal welcomed the gathering. Dr.P.Velusamy, Assistant Professor and Director of the seminar explained the dynamics of the seminar. Swami Garishthananda, Secretary, Ramakrishna Mission Vidyalaya Institutions, released book and blessed occasion

Dr. G. Veerakumaran, Associate Professor, College of Cooperation, Banking and Management, Kerala Agricultural University delivered a talk about “Kudumbashree-An institutional intervention for Women Empowerment” and also discussed the women welfare schemes functioning at Kerala.

Mr. K. Selvaraju, Project Director, District Collectorate, Coimbatore gave special address. He insisted that Government schemes and assistance for rural entrepreneurship particularly women empowerment, social economic development enhances self-decision making and dynamics of leadership in SHGs.

Special Address

Dr. V. Latha explaining the schemes available

Dr. B. Subburaj, Professor of Cooperation, Gandhigram Rural Institute Deemed University, Dindigul spoke on the title “Production and Marketing Strategies”. He discussed about the challenges and opportunities in production and marketing strategies and in the formation of SHGs members in Tamil Nadu. He also suggested to have trade mark and patent rights of products manufactured by SHGs.

Production and Marketing Strategies the Challenges and Opportunities

Dr. V. Ponnuswamy, Principal of our college delivered valedictory address and distributed the certificate to participants. Finally, 122 Participants from various SHG's were benefited.

Outcomes of the inter-collegiate meet

The participants are able to;

- Understand the significance of voluntary participation.
- Actualize accounting procedure and systems,
- Understand Government schemes and assistance for rural entrepreneurship.
- Enhance self-confidence.

Ramakrishna Mission Vidyalaya

Ramakrishna Mission Vidyalaya is situated at a distance of 18 kilometres from Coimbatore on the Coimbatore-Mettupalayam highway has commenced its service as a small residential school in 1930 by the well known freedom fighter, educationist and former First Education Minister of Madras province, (Late) Dr. T.S. Avinashilingam Ayya. The foundation stone was laid by Mahatma Gandhiji in 1934. Since then, it has grown enormously into a great educational complex with 15 institutions under its fold including Sri Ramakrishna Mission Vidyalaya College of Arts and Science.

The College

It was established in the year 1964 with the blessings of Srimat Swami Madhavanandaji Maharaj and has completed 54 years of purposeful service to the student community and society. The College follows the great ideals placed before the Country by Sri Ramakrishna, Swami Vivekananda and Mahatma Gandhiji. The College is in its 36th year of autonomy. The College has 13 UG and 6 PG programmes both under aided and un-aided streams. In addition to the prescribed curriculum, the College offers add-on courses as off-calendar instructional practices. It was re-accredited by NAAC with 'A' Grade with CGPA of 3.25 under 4 point scale in 2016. UGC sponsored DDU-Kaushal Kendra of this College offers 3 B.Voc. and 2 Diploma Courses.

Department of Social Work

The Department had its inception in the year 1975 with Community Development Specialization with the commitment to serve the society. Later on, in 1987, the Human Resource Management Specialization was introduced. M.Phil programme was introduced in the year 1996 and Ph.D programme in the year 2001. Thirty five M.Phil and twenty one Ph.D scholars have obtained their research degree. Our concerns for contemporary social issues are exemplified by Extension activities, Seminars, Workshops that we take up for the students and for the underprivileged. We continue towards reaching the un-reached. We are marching on from strength to strength with the guidance and support of Swami Garishthananda, Secretary, Ramakrishna Mission Vidyalaya Institutions.

FOR YOUNG CHILD

Foundation for Rights of Young Child (FOR YOUNG CHILD) is a registered Non-Profit Organisation, working exclusively for the 'Rights of the Child'. The Foundation aims at improving opportunities for vulnerable children from socially and economically challenged environment and ensuring quality child care services for their all-round development. The activities of the Foundation include building awareness about the needs of children and services provided under various child care schemes of the Government

and monitoring the quality of services for children.

The Workshop

Child Rights are fundamental freedoms and the inherent rights of all human beings below the age of 18. These rights apply to every child, irrespective of the caste, colour, sex, creed or other status. In India, around 39% of the population are children. They are vulnerable and dependent. Children can be subjected to neglect, abuse, violence and exploitation. Human rights are at the heart of Social Work. Social Work originates variously from humanitarian and democratic ideals. Social Work practice has, since its beginning, been focused on meeting human needs and on developing human potential and resources. Social Work is about change: in the individual; in family and group living; in policies and services; and in laws and social attitudes. Social Work is not simply direct work with the individual. It also involves services and action for groups and communities, with the aim of enhancing the quality of life of all citizens, including children. One of the main tasks of the Social Work is to protect, promote and defend the Child Rights.

Objectives

- To sensitize social work students on child rights
- To enable social work students to analyze social causes that lead to violation of child rights

Group Discussion : **Dr. S. Udhayakumar**, Guest Faculty,

Department of Social Work

Report of the Workshop on Child Rights Sensitization for Social Workers on 13.03.2018

The Department of Social Work organised a workshop on “Child Rights Sensitization for Social Workers” with the support of FORYOUCCHILD on 13.03.2018.

The workshop aimed to sensitize social workers on the child rights issues and protection of children from various forms of abuses.

Inaugural function

The programme started with the invocation of blessing from the Almighty. The dignitaries on the dias lighted the Kuthuvilakku. Dr. K. Kandappan, Dean, Student Support Services welcomed the gathering. Dr. V. Ponnuswamy, the Principal, in his Presidential address, congratulated the Department for organising this workshop and also praised the Department for its exemplary work for the past 43 years. He stressed the need of understanding and protecting the child rights.

Swami Garisthananda lighting Kuthuvilakku

Swami Garisthananda, Secretary, Ramakrishna Mission Vidyalaya Institutions delivered benedictory address. In his address, he emphasized the significance of strengthening the inner life and making the life of child beautiful. He asked the participants to get the help of stories to strengthen and develop internally, to understand every soul is potentially divine and having pure mind to

preach what you practice. Dr. K. Shanmugavelayutham, Managing Trustee, FORYOUCCHILD, Chennai in his inaugural address, listed out the abuses on children and stated that children are the national asset. He introduced the SV model of community organisation and invited the participants to take interest in the field of children. He also requested not to compromise with

ethics and values. Dr. K. Thirumalaisamy, Head, Department of Social Work proposed vote of thanks.

Technical session – I: Child Rights – An Overview

Dr. K. Shanmugavelayutham's deliberations

Dr. K. Shanmugavelayutham, Managing Trustee, FORYOUCCHILD, Chennai was the resource person for the technical session – I.

He has elaborately mentioned the definition of child, various child rights, United Nations Convention of Rights of Children, approaches in working with children, need for child rights, officials

dealing with child rights, status of children in India, measures of implementation, gaps and challenges in service and avenues for social workers in the field of children.

Technical session – II: Child Abuse and its Implications

Dr. J. Paranjothiramalingam's address on child abuse

Dr. J. Paranjothiramalingam, Reader & Head (Retd.), Department of Social Work, Sri Ramakrishna Mission Vidyalaya College of Arts & Science was the resource person for the technical session – II.

He has classified various child abuses, its statistics and techniques to overcome child abuses. He invited the parents to be with the children and to teach all the necessary

knowledge they should have with regard to protection from child abuse.

Documentary Film

A documentary film on “Child Rights” was screened which was prepared by FORYOUCCHILD, Chennai.

Technical session – III: Issues in Child Protection

Dr. P. Rangasami, Assistant Professor (SG), Department of Social Work, Amrita Vishwa Vidyapeetham, Coimbatore and Member, Juvenile Justice Board, Coimbatore District was the resource person for the session.

Talk by Dr. P. Rangasami on child protection

He has mentioned definition of Child, developmental stages of the child, status of children, rights perspectives, CRCT, types of child abuse, child rights and issues in child protection. He has also mentioned the functions of Juvenile Justice Board and roles of its members.

Technical Session IV: Group discussion on “Role of Social Workers in Ensuring Child Rights”

Dr. S. Udhayakumar, Moderator of Group Discussion

Group Discussion

Dr. S. Udhayakumar, Guest Faculty, Department of Social Work, Bharathiar University, Coimbatore was the moderator for this session.

The entire group was divided into four and topics were given as below:

Group I - Role of social workers in ensuring child rights of rural children

Group II - Role of social workers in ensuring child rights of tribal children

Group III - Role of social workers in ensuring child rights of urban children

Group IV - Role of social workers in ensuring child rights of urban children

The group deliberated well and presented their points of discussion.

<p>Group I</p> <ol style="list-style-type: none">1. Aravind - SRMV CAS2. Boopathi - SRMV CAS3. Jayaprathap - SRMV CAS4. Gowtham - SRMV CAS5. Prakashvel - SRMV CAS6. Padhmini - PSG CAS7. The discussion points came out of the group discussion are;

- To encourage interaction between parents and children
- To impart government schemes
- To strengthen the activities of 1098
- To promote equality
- To enhance the awareness of child care taker
- To tap resources for child protection
- To create awareness on the evils of early marriage
- To establish children library
- To counsel the parents
- To form NGOs for child rights
- To establish behaviour change programme
- To provide value based education at families
- To appoint school social workers
- To organise workshop on parenting

Street play

Street Play by our students

The students of Department of Social Work, Sri Ramakrishna Mission Vidyalaya College of Arts and Science staged their street play on child rights and child abuse. It was well conceived by all the participants and appreciated by the guests and the participants.

Valedictory function

Ms. Subkisha Sampath Kumar of PSG College of Arts & Science and Mr. Vishnu Vardhana of SNMV College of Arts & Science proclaimed that they have learnt many things related to child rights and this workshop proved its worth and was a beneficial one.

Certificate distribution

Certificates were distributed by Dr. V. Ponnuswamy, the Principal and the dignitaries on the dias. Sri J.B. Chandra Sekar, Organising Secretary and Assistant Professor of the Department of Social Work proposed vote of thanks and thanked all for their presence and contribution.

Outcomes

The participants were able to:

- Understand the concepts related to child rights and abuses
- Recognize the protection mechanism available in the State
- Classify the role of Juvenile Justice Board member in protecting children
- Initiate interest in learning street play as a method of reaching out public

ABOUT THE INSTITUTION

Sri Ramakrishna Mission Vidyalaya College of Arts and Science, an Autonomous institution affiliated to Bharathiar University, was established in the year 1964. It is one of the institutions in higher education known for its focus on academic excellence and social relevance. It stands for quality, discipline and dedication. The College offers 16 UG, 6 PG courses, M.Phil and Ph.D programmes educating and enlightening nearly 2000 students.

ABOUT THE DEPARTMENT

The Department of Mathematics of Sri Ramakrishna Mission Vidyalaya College of Arts and Science, Coimbatore is one of the oldest Mathematics Departments in the country with 10 faculty members. The Department offers B.Sc., M.Sc., M.Phil and Ph.D Programmes. The department produced 12 Ph.D Scholars and more than 60 M.Phil Scholars so far. At present there are 10 research scholars working for their M.Phil and 26 for Ph.D degree. With rich experience of teaching and research, the department is focusing on enhancing mathematics education with global perspectives. The scientific contributions of the department in the frontier areas of mathematics have already made a mark on the national and international scenario.

ABOUT P.K.R ARTS COLLEGE

P.K.R Arts College for Women was started in the year 1994 by Dhandapani Rural Charitable Trust in the name of P.K.Ramasamy, a hard working agriculturalist of Gobi, with a vision of providing wholesome education to the rural women with an affordable fee structure to the students who are economically backward. The college offers 12 UG, 8 PG Programs and 7 Research Programs. The institution has good infrastructure facility for the higher education.

ABOUT THE DEPARTMENT

Initially the department was functioning as an allied department. B.Sc Mathematics was started in 1995 and M.Sc Mathematics in 2003 followed by Research Programme (M.Phil) in 2006. The department has excellent academic record and number of students has obtained University Ranks.

ABOUT THE SEMINAR

The objective of the seminar is to bring together mathematicians and experts in particular field and discuss the recent developments of Mathematical Research. Eminent mathematicians will deliver invited talks at the seminar based on the current search.

CALL FOR PAPERS

Papers are invited in all aspects of Pure and Applied Mathematics. Participants intending to make a paper presentation are requested to send their abstracts(not exceeding 300 words) **on or before 05.02.2018** to the mail id given below.

Seminar Report

The Department of Mathematics conducted a One Day **National Seminar on Stochastic Differential Equations and Applications (NSSDEA-2018)** on 09th February 2018.

Dr. V. Ponnuswamy, Principal, welcomed the gathering. The convener Dr. K. Sathiyathan, Associate Professor, explained the theme of the seminar. Dr. K. Balachandran, UGC-BSR Faculty Fellow, Bharathiar University, Coimbatore, delivered the inaugural address on the need of Stochastic process in development of science. Dr. R.Murugesu, HoD of Mathematics, proposed the Vote of Thanks.

**Dr. K. Balachandran-
Inaugural Address**

Session-I 11.00pm to 12.00pm

The first technical session was shared by **Dr. Manil. T. Mohan, Visiting Scientist, Indian Statistical Institute, Bengaluru**, elaborated the history and origin of Stochastic Differential equations in Mathematics.

**Dr. Manil T Mohan- History and
Origin of stochastic differential
equations**

Session-II 12.00pm to 1.00pm

The second session was handled by **Dr. S. Karthikeyan, Assistant Professor of Mathematics, Periyar University, Salem**, explained the techniques to solve the problems in Stochastic Differential equations

Session-III 2.00pm to 3.00pm

In the afternoon session **Dr. R. Sowrirajan, Assistant Professor of Mathematics, Dr. N.G.P. Arts and Science, Coimbatore**, lauded the applications of stochastic Differential equation in finance.

**Dr. R. Sowrirajan-Applications of
Stochastic Differential Equations**

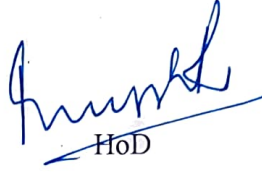

Thanks. Totally, 113 students participated from various institutions.

**SRI RAMAKRISHNA MISSION VIDYALAYA COLLEGE OF ARTS
AND SCIENCE**
Department of Physics
State Level Physics Symposium
ALBEDO'18

Report

In commemorations of National Science day, the Department of Physics, conducted a one-day State Level Physics Symposium, ALBEDO'18 on 09.02.18 at GKD Auditorium. The symposium was aimed to create awareness on the Concept of Physics and Newton's gravitational force. In addition, five potential events were conducted to develop competency in specified skills including sustainability thinking among the students.

Rev. Swami Garishthanandaji Maharaj, Secretary, Ramakrishna Mission Vidyalaya inaugurated the Symposium with a formal ceremony of lighting the Kutthu Vizhaku. Dr. J.Chandrasekaran, Convener and Head of the Department welcomed the gathering.

Dr. V.Ponnuswamy, Principal proposed the Presidential Address. Dr.S.Ramanathan, Coordinator of ALBEDO'18, delivered the "Dynamics of the Meet".

Dr. V.Ponnuswamy, Principal on his "Presidential Address".

Dr.S.Kala, Regional Joint Director, Department of Higher Education, Government of Tamilnadu, Coimbatore delivered the Keynote Address on the Concept of Physics and Newton's gravitational force. Dr. M. Sethuraman, Associate Professor of Physics Proposed the Vote of Thanks. Five events viz., quiz competition, Paper presentation; Just a Minute, Mime and Article Writing were conducted for the students Participating from Various College. Totally, 216 students from 14 colleges participated in the various events. In the concluding session,

Dr.S.Kala, Regional Joint Director, Department of Higher Education delivered the " Keynote Address

Dr.C.Mahendran, Coordinator of ALBEDO'18 distributed the prizes

Dr.C. Mahendran, Coordinator of ALBEDO'18, welcomed the gathering, Dr. V.Ponnuswamy, Principal, Dr. J.Chandrasekaran, Convener and Head of the Department, Dr.S.Ramanathan and Dr.C.Mahendran, Coordinator of ALBEDO'18 distributed the prizes. The overall championship was awarded to the Kongunadu College of Arts and Science, Coimbatore. Sri.G.Manikandan, II-M.Sc Physics Proposed the Vote of Thanks.

Outcome(s) of the symposium-ALBEDO'18

The participants were able to imbibe the following.

- Concept of Physics
- Newton's gravitational force

The prize details are listed below,

Prize Details

S.No.	Event	I/II/III	Name	College
1	Quiz	I	N.Mohammed Afzar M.Sakthi sanjeev	Kongunadu College of Arts and Science
		II	T.Muthuraj C.Kuzhanthaivel	Bharathiyar University
		III	M.Annie M.Amirtha	PKR College of Arts And Science
2	Paper Presentation	I	M.Purushothaman	NGM College
		II	A.Parvathavarthini	Avinashilingam University
		III	S.Shalini	Kongunadu College of Arts and Science
3	Just A Minute	I	Shubhangi vandish	PSGR Krishnammal college of arts andscience
		II	R.K. Abubakar siddiq	NGM College of arts and science
		III	M. Gowtham kumar	Karpagam Acedemy of Higher Education
4	Miming	I	Karthigadevi	Avinashilingam University
		II	S.Nikilarosy	PKR College of Arts and Science
		III	S.Ramgh	Chikkaiah NaickerCollege
5	Article Writing	I	P.Deebesh	SRS college of Arts And Science
		II	E.Kumaresan	SRS college of Arts And Science
		III	V.G.Dhivyajothi	Kongunadu College of Arts and Science
Over all Champion				Kongunadu College of Arts and Science

CHEMFUSION' 17

One day Intercollegiate Chemistry Students' Meet

17th August 2017

Dear Professor,

Warm greetings. Post Graduate & Research Department of Chemistry, Sri Ramakrishna Mission Vidyalaya College of Arts & Science, Coimbatore is organizing CHEMFUSION'17, an Intercollegiate Chemistry Students' Meet on 17.08.2017. We request you to send team of students (one UG team & one PG team) from your College to take part in the programme. Last date for the submission of registration form is 10.08.2017. Winners will be suitably rewarded with prizes and certificates.

Eagerly awaiting your positive and early response.

Yours sincerely,

Convener

Chemfusion' 17

FOR YOUR KIND ATTENTION

- ✓ Each college can send two teams, one UG and one PG.
- ✓ Registration fee is Rs.150/- per participant.
- ✓ No Registration fee for the accompanying Faculty member.
- ✓ Lunch and Tea will be provided.
- ✓ Necessary materials for Chem Model and Chem Mime must be brought by the participants.

Send your registration form either by e-mail or Post to:

21.07.2017

REPORT

The department of chemistry conducted a one-day state-level intercollegiate student's meet on August 17, 2017 at GKD auditorium. The programme aimed to inculcate the scientific temper, enriching their special talents and stimulate the culture of inquisitiveness among students. In total, 232 students were registered from five universities and fifteen colleges in Tamilnadu.

The programme commenced at 09.00am with prayer. Swami Garishthananda, Secretary of our college presided over the function and blessed the gathering. Dr. K. Karunakaran, Principal, Sri Ramakrishna College of Arts and Science, Coimbatore, inaugurated the programme and delivered the inaugural address on highlighting the importance of chemistry in everyday and job future prospects.

The students actively participated with high enthusiasm in all the nine events conducted namely, Chemmodel, Chemretrive, Chempower, Chemact, Chemcharade, Chempuzzle, Chempower, Chemnotch, and Chemime. The events organized and conducted by our students is the distinctiveness of the programme.

The valedictory programme started at 5.15pm. Swami Garishthananda, Secretary of our college congratulated the winners and distributed to the prizes. Dr. A. muthusamy, Convener, rendered vote of thanks and programme concluded with the national anthem.

Outcomes:

- Nurturing teamwork, communication skills and organizing skills among students.
- Platform to meet various college students and make a network among them.
- The events conducted will induce interest over the subject.

Ramakrishna Mission Vidyalaya

Ramakrishna Mission Vidyalaya was started in 1930 by the well known freedom fighter, educationist and the first Education Minister of Madras province, **Dr. T. S. Avinashilingam Ayya** and the foundation stone was laid by **Mahatma Gandhi** in 1934. Since then it has grown enormously into a great educational complex with 15 institutions under its fold including Sri Ramakrishna Mission Vidyalaya College of Arts and Science, College of Education, Maruthi College of Physical Education, Polytechnic College, Industrial Training Institute, Institute of Agricultural and Rural Development, Swami Shivananda Higher Secondary School, Residential High School, T. A. T. Kalanilayam Middle School and Ramakrishna Mission Vivekananda Educational and Research Institute.

Ramakrishna Mission Vidyalaya is situated in a land of about 300 acres at a distance of 19 kilometres from Coimbatore, on the Coimbatore – Mettupalayam Highway. About 8500 students are studying in various institutions of Vidyalaya. Under the leadership of Swami Garishtananda, Secretary, Ramakrishna Mission Vidyalaya hosts several spiritual and service activities frequently.

Host Institution

Sri Ramakrishna Mission Vidyalaya College of Arts and Science, an autonomous institution affiliated to Bharathiar University is one of the oldest institutions of Ramakrishna Mission Vidyalaya established in the year 1964. It is one of the top institutions providing higher education known for its focus on academic excellence and social relevance. The College of Arts and Science has 13 UG and 7 PG Programmes both under aided and un-aided streams. Autonomous status was conferred in the academic year 1981-82. It has been one of the foremost Autonomous Colleges in Tamil Nadu. Under autonomy the institution has introduced several curriculum and examination reforms. The College celebrated its Golden Jubilee in 2014. It was Re-accredited by NAAC with 'A' grade in 2016. UGC sponsored DDU Kaushal Kendra of this College offer 3 B.Voc. and 2 Diploma Courses.

Department of Chemistry

The PG and Research Department of Chemistry of Sri Ramakrishna Mission Vidyalaya College of Arts and Science, Coimbatore is one of the popular Chemistry Departments in Tamil Nadu with 11 faculty members and one DST-INSPIRE faculty member. The Department offers programmes from BSc to PhD. Currently research is being pursued in a wide spectrum of disciplines. The Department is DST - FIST sponsored and has undertaken Research Projects from leading funding agencies such as UGC and CSIR. With rich experience of teaching and research, the Department focusses on enhancing Chemistry Education with Global Perspective. The Department has produced 34 PhDs and 125 MPhilis. It has the privilege of possessing more than 300 publications in journals with high impact factor.

Objective of the Conference

A unique initiative to organise a National Conference every year with the eminent alumni of Department of Chemistry of our College as resource persons. The conference is a platform for young chemists to share and gain knowledge in the **Recent Trends in Chemistry** and will provide deliberations on the following areas.

- ✓ Solid State Chemistry
- ✓ Materials Characterisation
- ✓ Computational Chemistry
- ✓ Environmental and Green Chemistry
- ✓ Electrochemistry
- ✓ Organic Chemistry
- ✓ Polymer Chemistry
- ✓ Nanochemistry
- ✓ Coordination Chemistry
- ✓ Medicinal Chemistry
- ✓ Catalysis
- ✓ Sensors

Eminent Speakers of the Conference

1. Dr. P.S. Mohan, Bharathiar University, Coimbatore
2. Dr. R. Nandhakumar, Karunya Institute of Technology and Sciences, Coimbatore
3. Dr. H. Yuvaraj, Bharathiar University, Coimbatore
4. Dr. D. Ravi Shankaran, University of Madras, Chennai
5. Dr. C. Ramalingam, Kalasalingam Academy of Research and Education, Virudhunagar
6. Dr. H.S. Ganapathy, CEO, Fik Hill Academy, Coimbatore.

Call for papers for poster presentation

We welcome abstracts from Faculty Members, Research Scholars and PG students on various topics for poster presentation within the scope of the conference. With the view to accommodate more number of contributors, we have restrained to poster presentation only.

There will be two types of poster presentation:

- Original research work (Faculty and Research Scholars)
- Review on recent trends in Chemistry (Only for PG students)

Guidelines for abstract submission

- ◆ Abstract should be submitted in a prescribed 'template' with maximum of 1200 characters (including spaces) in Times New Roman font size 12 and 1.5 spacing through conference E-mail: srmvcchemistry@srmv.ac.in
- ◆ Template for the preparation of the abstracts is available in the College website www.srmvcas.org
- ◆ The abstract of the poster presentation will be published in the conference book.
- ◆ Poster Dimension: Width : 60 cm and Height : 90 cm.

Registration Fee

The Registration fee for the conference is as follows :

Faculty members and industry participants	₹ 300
Research Scholars	₹ 200
PG Students	₹ 150

Coimbatore 641 020
Department of Chemistry
National Conference on Recent Trends in Chemistry -2018 (RTC'18)

08.02.2018

REPORT

The department of chemistry organized a one-day national conference on “Recent Trends in Chemistry” on 02.02.2018. In total, 257 participants registered. The conference aimed to create awareness recent trends on organic and medicinal chemistry, catalysis and polymer chemistry, environmental and green chemistry, the chemistry of materials including computational chemistry and sensors.

Inaugural Session (9.45 – 10.30 am):

The programme started at 9.45 am with prayer. Rev. Swami Garishthananda Maharaj, Secretary, Ramakrishna Mission Vidyalaya, delivered the benedictory address and released the conference abstract.

Prof. Dr. P. S. Mohan, Head, Department of Chemistry, Bharathiar University, delivered the keynote address on the natural products in treating human diseases and emphasized the medicinal values of traditional plants.

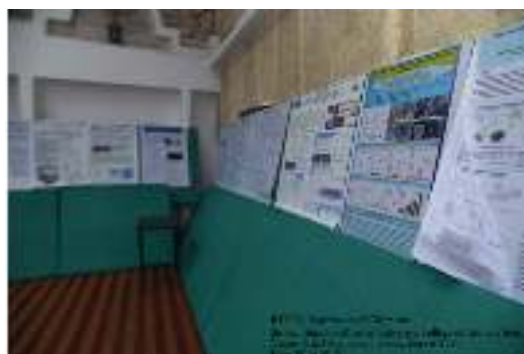

Technical Session I: (11.00 am – 01.00 pm)

Dr. R. Nandhakumar, Department of Chemistry, Karunya Institute of Technology and Sciences, Coimbatore, presented a talk on “Rational design and synthesis of heterocycles based modular fluorescent chemosensors for cations/anions.” He also elaborated on the development of sensors for detecting ions in modern applications and narrated the significance of fluorescent sensors in detecting ions in biomolecules.

Dr. H. Yuvaraj, Department of nanoscience and technology, Bharathiar University, Coimbatore, conferred the lecture on “Fabrication of 3D/2D functional materials for energy, sensor, and environmental remediation”. Further, he explained the recent developments in electrochemical energy storage and the functioning of super capacitors and carbon nanotubes.

Dr. C. Ramalingam, Department of Chemistry, Kalasalingam Academy of Research and Education, Krishnankovil delivered the third invited talk. He outlined the history, importance, principle, development, and applications of dye-sensitized solar cells. Further, he detailed the design and synthesis of homo/hetero motif organic dye synthesis and its applications.

Technical Session II: (02:00 – 04.30 pm)

Dr. D. Ravi Shankaran, National Centre for Nanoscience and Nanotechnology, University of Madras, Chennai, presented the fourth invited talk on “Waste to Wealth: A nanotechnology perspective.” The talk revolved around the challenges of managing solid waste and proposed a new route to handle the industrial waste-cotton to various applications from a nanotechnology perspective.

Dr. H. S. Ganapathy, Elk Hill Academy, Coimbatore, presented a lecture on “Overwhelming opportunities for chemistry higher education in overseas.” With an introduction to basic sciences and their relationship with spirituality, he explained the various higher studies opportunities for chemistry students in India and abroad.

The research scholars, students, and delegates presented their research work through 100 poster presentations and 20 poster-review presentations. The participants visited the each poster and had a good interaction with the presenters, and a panel of judges evaluated the posters for best presentation awards.

Valedictory programme: (05.00 – 05.30 pm)

Swami Garishthananda, Secretary, Ramakrishna Mission Vidyalaya, Coimbatore, congratulated the winners and distributed the prizes for best presenters. Few of the participants shared their overall feedback about the conference. Dr. M. Dhandapani, Convener of the conference rendered the vote of the thanks and concluded the programme.

Outcomes:

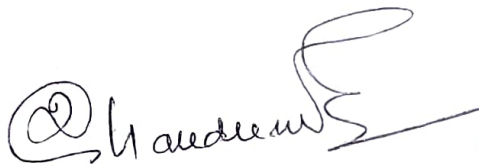

The participants were able to understand, conceptualize, and applications of following:

- New methodologies to synthesize biologically active scaffolds and materials
- Fabrication of sensors and their applications to biomolecules
- Synthesize of functional polymers and their applications
- Applications of nanotechnology to real-time problems
- Green chemistry and environmentally benign synthesis
- Synthesis, characterization, and various applications of metal catalysts.
- Computational chemistry and its applications

Sri Ramakrishna Mission Vidyalaya College of Arts and Science Coimbatore – 20

Department of Computer Science

Report of TECHNAMITE – 2K18

The Department of Computer Science conducted a Students Inter College meet TECHNAMITE – 2K18 (TECHNICAL DINAMITE 2018) on 15 February 2018.

The objective of TECHNAMITE - 2K18 was to provide the students an exposure to new technologies and motivate the students to improve technical, competitive and soft skills.

Swami Anapekshananda, Correspondent, Sri Ramakrishna Mission Vidyalaya Polytechnic

College blessed the gathering at the Inaugural function. Mr.P.R.Sasikumar, Associate Vice President, HCL Technologies delivered the inaugural address. He pointed out the expectation of industries from the students. He stated that Artificial Intelligence and Data Science are the two major fields of the year. He wanted that students should improve technical skills and soft skills. He insisted students to do project work in order to get familiarity in the problem domain.

Four technical events (Paper presentation, Quiz, Marketing and code debugging) and three non technical events (Snap shot, Rubix cube and Hand art) were conducted. Mr.S.Kumaravel and Mr.J.Jesudoss chaired the paper presentation session. Mr.R.Balamurugan conducted Quiz competition. Dr.M.Ravichandran and Dr.Ubendhiran of cooperation department chaired the marketing session. Mr.G.Ragupathy, S.Somasundaram and Mr. R.Rajagopal were incharge of Code debugging session.

Seventy-nine students from 9 colleges had participated in the event. Papers were presented on the latest topics. The quiz program showed the technical skill of the students. The marketing events demonstrated the soft skills of the students. The programming debugging event gave confidence to write programs. The non technical events were organised to give confidence to students to improve their soft skills. Swami Garishthananda, Secretary, Ramakrishna Mission Vidyalaya Institutions distributed the

prizes for winners of various events.

Outcomes

The participants were able to;

- Understand the companies requirements to get placement
- Get motivation to improve programming skill
- Understand the need of thorough knowledge in technical courses
- Know the emerging areas of computer science
- Recognize the importance of soft skill
- Be aware of taking project work

Report of Intercollegiate Meet (KNOCK-IT '17)

The Departments of Computer Stream of Sri Ramakrishna Vidyalaya College of Arts and Science collaborated with P.K.R. Arts College for Women, Gobichettipalayam, to organize an Intercollegiate Meet, KNOCK-IT'17 on 07 September 2017 at G.K.D. Auditorium.

This Intercollegiate meeting aimed to explore the knowledge of the student through creative thinking, enhancing programming skills, teamwork, etc.,

*Dr. V. Ponnusamy, Principal, delivered
"Welcome Address"*

Dr. V. Ponnusamy, Principal, Sri Ramakrishna Mission Vidyalaya College of Arts and Science, welcomed the gathering. In his address, he briefed on the significance of learning Computer Studies and the rapid growth in Computer Studies in this I.C.E. age (Information, Communication and Entertainment).

*Revered Swami Shantimayananda, Secretary, Sri
Ramakrishna Mission Vidyalaya College of
Education delivered "Benedictory Address"*

Revered Swami Shantimayananda, Secretary, Sri Ramakrishna Mission Vidyalaya College of Education, delivered the Benedictory Address. He advised the participants to adopt values such as the right activities, thinking, and attitude to strengthen one's mental abilities. Besides that, he insisted on cherishing love, compassion, and faith in God as they would concretize the efficiency of our concentration power.

Sri. S. Padmanaban , CEO, Easy Design Systems delivered “Keynote Address”

Sri. S. Padmanaban, C.E.O., Easy Design Systems, Coimbatore, motivated the students by highlighting the emerging trends in computer technology such as Data Analytics, Automation of Testing, Internet of Things, and Robotics programming in the Computer arena. Dr. R. Sridhar, Director (Unaided wing) of Sri Ramakrishna Mission Vidyalaya College of Arts and Science, delivered the vote of thanks in the inaugural session.

*Overall Championship won by
KONGU Arts and Science College, Erode.*

Two hundred eighty-three (283) students from other Colleges participated in this programme. The events conducted were as follows: Paper Presentation, Word Hunt, Quiz, Software Debugging, Marketing, and Short film making. Kongu Arts and Science College, Erode, won the Overall Championship of the meet.

Outcomes of the Programme

The participants were able to;

- ❖ Enhance their programming skills through participating in events like paper presentations and software debugging.
- ❖ Sharpen their creativity through software marketing.
- ❖ Enhance their computer vocabulary through word hunt.

ABOUT US

Ramakrishna Mission Vidyalaya, Coimbatore, is a vast complex of 18 service wings, commenced its educational activities in the year 1930 with the blessing of Bhagavan Sri Ramakrishna. The father of our Nation, Mahatma Gandhi laid the foundation stone of the first wing, a school.

Ayya Sri T.S. Avinashilingam, the Founder-Director, nurtured the institution with his visionary and devoted service. As envisaged by the great Swami Vivekananda, the Vidyalaya strives hard to impart man-making and character-building education to youth, that are necessary to develop leadership, responsibility and love for the country.

About our college

Our college was started in the year 1964. Affiliated to the Bharathiar University, it was conferred with autonomous status in the year 1981-82. The college offers 13 UG and 6 PG programmes in both aided and unaided streams, besides offering 9 MPhil and PhD programmes. It was Re-accredited by NAAC with 'A' grade.

About the Department

The Department of Computer Studies constitute of **B.Sc(CS), B.Sc(IT), BCA and MCA**.

The team of faculties comprises of skilled and motivated persons, having meritorious academic track record with excellent interpersonal and intrapersonal skills.

The Department is equipped with spacious laboratories and sufficient time for conducting various certification courses like CCNA of CISCO, Hardware & Networking, Multimedia, Web Services, Big Data of DELL Ltd and IoT of EASY Design Systems.

Objectives of Our Conference

To provide the knowledge about the emerging trends in the field of computer technology and allow the research scholar to present their innovation.

Location

All the buses between Coimbatore to Mettupalayam bus will stop at LMW bus-stop, which is near to our institution.

Call for paper

- ⇒ Neural Networks
- ⇒ Fuzzy Logic
- ⇒ Evolutionary Algorithm
- ⇒ Computational Algorithm
- ⇒ Machine Learning
- ⇒ Probabilistic Reasoning
- ⇒ Data Mining Techniques
- ⇒ Data Warehousing
- ⇒ Any Other Topics Relevant to Soft computing

About the Conference

The papers on the above themes are invited from students / research scholars / faculty member.

Registration Fees

Category	Amount
Participation only	Rs.200
Paper Presentation (UG/PG Students)	Rs.300
Paper Presentaion by Faculty Members	Rs.400

The participants, who are interested to present are requested to submit the abstract along with registration form. The registration fees covers refreshment and certificate.

The Registration fees should be sent through DD drawn in favour of '**SRMVCAS SF Management Account**' payable at Coimbatore **on or before 15.03.2018**.

Points to Remember

- The registration must be done separately by the author and co-author.
- Prior intimation is essential to avail spot registration. No TA & DA will be provided.
- Submit the soft copy of your paper through e-mail and also send the hard copy of your paper along with the DD. The best paper (including oral presentation) will be published in ICTACT journal.

Important Dates

Submission of Abstract along with Registration form	: 02.03.2018
Submission of Full paper	: 07.03.2018
Intimation of Selected Papers	: 12.03.2018
Date of Conference	: 16.03.2018

Instruction for Authors

Paper should be presented by the author/co-author
 Full paper : Soft copy (not exceeding 6 pages)
 Format : IEEE(Standard)

Department of Computer Stream

(Department of Computer Science, Department of Computer Applications,
Department of Information Technology)

Report of National Conference on Emerging Trends in Soft Computing

The Departments of Computer Stream of Sri Ramakrishna Mission Vidyalaya College of Arts and Science organized a One-day National Conference on “Emerging Trends in Soft Computing” on 16th March 2018.

The conference aimed to create awareness on emerging trends in computer technology and research innovation.

*Mr. V. Srikanth, Regional Head, ICTACT,
delivered “Keynote Address”*

In the inaugural function, the Chief guest Mr. V. Srikanth, Regional Head, ICTACT, Tamilnadu, presented an enthusiastic keynote address to the young student community. He addressed the various employment opportunities in Tamil Nadu, which has the highest skilled manpower in India. He informed the student fraternity about the entrepreneurial opportunities offered by the State and

Central government. He stressed the importance of using Social Media in the right direction. He also mentioned the value of “Massive Open Online Course” (MOOC) and Foreign Universities offering free PG degree programs online. Finally, he advised the students to think differently to achieve their goals.

Technical Session-I:

Dr. P. Shanmugavadivu, Professor in Computer Science and Applications, Gandhigram Rural Institute, delivered a talk on “Fractals in Image Processing”. She covered the topics of Image Enhancement, Image Segmentation, and Content-Based Image Retrieval.

Dr. P. Shanmugavadivu, delivered a talk on “Fractals in Image Processing”

Technical Session-II (Paper Presentation)

Paper Presentation by a participant

Dr. V. Ponnuswamy, Principal, Dr. K. Kandappan, Dean, Student Support Services, Dr. R. Sridhar, Director of Unaided wing, and faculty members also participated. A total of 86 participants from various Colleges participated and 52 research papers were presented. Further, Exhibits on Internet of Things (IoT) were displayed.

Release of Conference Proceedings

Outcomes of the Conference

The students were able to understand;

- Basics of Image processing
- Algorithms for handling Images
- Fractals Image handling
- Medical Image Analysis
- Recent innovations in Image Processing
- Big Data Analytics and Machine Learning.

Registration fees

Category	Registration fees
UG/PG Students Paper Presentation	₹250
UG/PG students (only participation)	₹200
Research Scholars and Faculty Members	₹250
Corporate Representatives	₹300

The participants, who are interested to present the papers, are requested to submit the abstract along with registration form. The registration fees covers refreshment and certificate. The registration fee should be paid on the date of seminar by cash.

Points to Remember

- The registration must be done separately by the author and co-author before 10.00 am on 13-02-2018.
- Prior intimation is essential to avail spot registration.
- No TA & DA will be provided to the participants.
- Submission of the soft copy (CD and through e-mail)
- Separate session in the seminar will be devoted for the presentation of papers by the students. Best paper of the students will be awarded.
- Spot registration is allowed only for the participants. Those who want to present paper at the seminar should **register before 07.02.2018** through email.

Important Dates

Submission of Abstract along with Registration form	:	07.02.2018
Submission of Full paper	:	10.02.2018
Date of Conference	:	13.02.2018

Rules for Paper Presentation

- Please mention your co-authors' names on submission.
- All papers are limited to six pages (including the cover / title page, references, and appendix. tables and figures). The first page should include the title, abstract (maximum of 100 words or 10 lines), details of authors and keywords. Any paper exceeding the specified limit will not be included in the review process.

- Papers must show a clear indication of the purpose of the research, research method, major results, implications and key references.
- All correspondence may be sent to srkvconference@gmail.com

About the Vidyalaya

A sprawling educational complex, Sri Ramakrishna Mission Vidyalaya is spread over a pleasantly wooded area of about 300 acres situated 18 Kms from Coimbatore on Mettupalayam road. Founded by the veteran freedom fighter and first Education Minister of Madras Province in independent India Dr. T.S. Avinashilingam Ayya, the Vidyalaya has kept up the great tradition of rural upliftment through technological education.

About Sri Ramakrishna Mission Vidyalaya College of Arts and Science

Sri Ramakrishna Mission Vidyalaya College of Arts and Science is one of the Vidyalaya institutions. It was established in 1964 and has been rendering useful service in the field of higher education. In recognition of its services to higher education, the University Grants Commission, granted Autonomous Status to this college in July 1981. The College is affiliated to the Bharathiar University, Coimbatore and reaccredited by the NAAC with 'A' grade.

About the Department

Sophistication in every walk of life is the order of the day. To meet the ever growing requirement of business and industry, Department of Commerce and Commerce with Computer Applications and Professional Accounting were established in 2006, 2002 and 2017 respectively. The students of these departments are provided with institutional training, system project, industrial visit and project work in the emerging areas of Commerce and Commerce with Computer Applications. Departments of Commerce CA & Commerce provide internship training to the final year students at Auditors Office, in and around Coimbatore and Tirupur.

About the Conference

A society in which consumers pay using credit or debit cards, electronic funds transfer, or shop online instead of paying by cash or bank cheque is known as cashless economy. It is also called "checkless society".

India continues to be driven by the use of cash; less than 5% of all payments happen electronically. However the Finance Minister, in 2016 budget speech, talked about the idea of making India a cashless society, with the aim of curbing the flow of black money.

The basic functions of money in any form in an economy are of transactions, precaution, speculative and standard of deferred payments. Developing countries in general and India in particular, before and after independence, use metal and paper currency more to discharge the functions. It is a cash economy. In the wake of decision made by Prime Minister Mr. Narendra Modi to demonetize high value currency note of denominations 500 and 1 000, the Indian Economy faced a setback. The population of India is highly habituated to cash transactions in both formal and informal financial sectors. The biggest problem with India is that 70% of the population including literate groups opt for monetary transaction and are reluctant to use cards for payment owing to various security reasons and operational inconvenience. Cashless payment can be defined as a transaction performed without using coins and notes but instead using credit/debit cards or other electronic modes of payment. When all the transactions of the country are cashless, it becomes a cashless economy.

India uses too much cash for transactions. The ratio of cash to gross domestic product is one of the highest in the world—12.42% in 2014, compared with 9.47% in China or 4% in Brazil.

In India, less than 5% of all payments happen electronically.

The number of currency notes in circulation is also far higher than in other large economies. India had 76.47 billion currency notes in circulation in 2012-13 compared with 34.5 billion in the US.

Some studies show that cash dominates even in malls, which are visited by people who are likely to have credit cards, so it is no surprise that cash dominates in other markets as well.

Objectives of this Seminar

1. To encourage the college students to use the digital transactions.
2. To receive the ideas of experts and students to overcome the challenges in making India cashless economy.

3. To educate the participants about various benefits of cashless economy such as elimination of corruption, cheaper loans, etc.
4. To impart the participants about various problems faced by the country because of too much cash usage such as cost of printing currency, corruption, increase in non-performing assets of banks, etc.
5. To create awareness among the participants about the safe usage of credit cards, debit cards, online transactions, mobile banking, etc.

This national seminar invites the research papers in the following areas:

1. Digitalization- A way to cashless economy
2. Cash to cashless economy.
3. Role of women in cashless economy.
4. Role of Students in making country cashless economy.
5. Impact of cashless economy in India.
6. Problems and prospects of cashless economy in India.
7. Role of Internet, Mobiles and Plastic cards for cashless economy in India.
8. India's dream of cashless economy.
9. Impacts of a cashless economy on Banks.
10. Security risks involved in cashless society.
11. Impacts of a cashless economy on Local and International business.
12. Impacts of a cashless economy on Marketing.
13. Impacts of a cashless economy on Information technology.
14. Impacts of a cashless economy on Human resource..

Guideline for Submission

The papers on the above themes are invited from students, research scholars, academicians, faculty members and industrialists.

PROGRAMME

Inaugural Session

About the Vidyalaya Institutions

A sprawling educational complex, Sri Ramakrishna Mission Vidyalaya is spread over a pleasantly wooded area of about 300 acres situated 18 Kms from Coimbatore on Mettupalayam road. Founded by the veteran freedom fighter and first Education Minister of Madras Province in independent India Dr. T.S. Avinashilingam Ayya, the Vidyalaya has kept up the great tradition of rural upliftment through technological education.

About Sri Ramakrishna Mission Vidyalaya College of Arts and Science

Sri Ramakrishna Mission Vidyalaya College of Arts and Science is one of the Vidyalaya institutions. It was started in 1964 and has been doing useful work in the field of Higher Education. In recognition of its services to Higher Education, the University Grants Commission, granted Autonomous Status to this college in July 1981. The College is affiliated to the Bharathiar University, Coimbatore and re-accredited by NAAC with 'A' grade.

About the Departments

Sophistication in every walk of life is the order of the day. To meet the ever growing requirement of business and industry, Department of Commerce and Commerce with Computer Applications and Professional Accounting were established in 2006, 2002 and 2017 respectively. The students of these departments are provided with institutional training, system project, industrial visit and project work in the emerging areas of Commerce and Commerce with Computer Applications. Departments of Commerce CA & Commerce provide internship training to the final year students at Auditors Office, in and around Coimbatore and Tirupur.
