

**Sri Ramakrishna Mission Vidyalaya College of Arts and Science
Coimbatore - 641 020**

(An Autonomous Institution affiliated to Bharathiar University and Re -accredited by NAAC with 'A' grade)

SoP for Advanced Learners and Slow Learners

Advanced learners

- Identifying advanced learners by the mentors in classes room interactions.
- Motivating them to appear for state/national level-oriented examinations.
- Helping them to develop their problem-solving ability, and improve specific skills for special needs.
- Encouraging them to participate in Seminars, Conferences, and Workshops.
- Stimulating them to register for online MOOC, SWAYAM, and equivalent courses.
- Encouraging with endowment awards and special prizes.
- Supervising them to act as peer tutoring to their fellow students.

Slow learners

- Slow learners are identified by the mentors in the respective classes.
- They provide extra classes for improvement and achievement.
- The Department faculty members guide the slow learners to improve their performance.
- Level-appropriate course materials are provided for slow learners.
- Personalized attention and suitable support through peer tutoring.
