Report submitted to Principal Anna

Today (16.08.2016) Research and Faculty Enrichment Council and Post Graduate and Research Department of Chemistry jointly organised a one-day workshop on "Micro scale Chemistry Experiments for Cost Reduction" in order to enrich the knowledge of students and staff members of Chemistry and Physics department. Nearly 225 students from Chemistry and Physics Departments participated. Prof. Dr. S. Murugan, HOD of chemistry (retired), ST Hindu College, Nagerkovil spoke about the importance and advantage of micro scale chemistry experiments for cost reduction in two sessions involving demonstration of chemical analysis. In the inaugural function, Dr. M. Dhandapani, RFEC coordinator welcomed the gathering. Dr. C. Jayabalakrishnan presented the presidential address. Dr. A. Chandramohan, HOD of chemistry briefed the purpose of the workshop and Dr. A. Muthusamy, Assistant Professor of Chemistry proposed the vote of thanks. Participation certificates were distributed to the Students and Staff.

Teachers' Day Special Lecture

Report on the meeting "Ethics and Duties Embedded in Teaching Profession"

Today (06.09.2016) Research and Faculty Enrichment Council arranged a special lecture "Ethics and Duties Embedded in Teaching Profession" as a part of Teachers day celebrations. Dr. M. Dhandapani, RFEC Coordinator welcomed the gathering and introduced the speaker. Dr. C. Jayabalakrishnan, Principal in his presidential address laid the importance of teachers in moulding the society. Swami Garishthananda, Secretary of our college blessed the teachers and wanted the all our teachers should focus on Nation building. Dr. M. Gururajan emphasised the importance of ethics in teaching profession. He used a number of citations from Bhagavad-Gita to explain the duties and ethics of a teacher. He equated the teachers' duty as performing prayers to God. Nearly 100 faculty members of both aided and self supporting wing attended the meeting. Dr. C. Viswanathan, HoD of Tamil, proposed a vote of thanks.
