Dear Swami Nirmaleshanandaji,

Pranams.

Please find enclosed with this letter, two letters received from Foundation for Rights of Young Child and from Dr. K. Shanmugavelayutham, alumnus of our college. It is very clear from the contents of the letters that they would like to donate Rs.50 Lakhs each as endowment for conducting activities in the areas of child rights and disaster management.

Please ensure whether we can justify the donor by utilizing the annual interest of the endowment fund efficiently. If yes, please have a discussion with Social Work Department of your college and chalk out the programmes. It will help me to reply the donor accordingly.

Please do the needful.

With pranams,

Yours affectionately,

Swami Garishthananda

Donation Letter

Dear Swamiji

I am an old Student of Department of Social Work, Sri Ramakrishna Mission Vidyalaya College of Arts and Science, Coimbatore in the year 1975-1977. I am pleased to inform you that from my personal savings, I will be donating Rupees Fifty lakhs (Rs. 50,00,000) as a corpus fund to establish and implement the Disaster Management Center. The Ramakrishna Mission Vidyalaya will manage the fund and ensure that efficient utilization of its annual interest with the help of Department of Social Work, Sri Ramakrishna Mission Vidyalaya College of Arts and Science, Coimbatore.

The following programmes or activities can be organized by the Disaster Management Center

Social work perspectives in disasters are often ignored even though there are multiple areas where social workers can contribute. However, as a field of practice, it demands specialisation to meet with the dynamic challenges posed by not only conventionally categorised disasters but new ones not viewed traditionally as disasters.

The disaster Management Center at the Department of Social work, Sri Ramakrishna Mission Vidyalaya Arts and Science College, Periyanaickenpalayam is to cater to advancement of knowledge and practice in disaster management, to respond to the needs and promote positive practices. The Centre fosters information sharing and integration of activities among various stakeholders, researchers, practitioners and policy makers. This in turn ensures that best educational opportunities are provided to address disaster related issues - current and those of the future.

The main activities of the centre:

- Formulating Emergency evacuation plans for community with involvement of Government
- Community-Based Needs and information gathering
- Psycho social care support
- Rehabilitation of Victims
- Undertake research activities related with Disaster management
- Capacity building for various stakeholders on Disaster management
