

Sri Ramakrishna Mission Vidyalaya College of Arts and Science,
Coimbatore - 641 020

Revised Research Policy

- Establishing a Research and Faculty Enrichment Council for coordination of research activities of various departments of the College and confirming whether these are aligned with the Vision and Mission of the College.
- Constituting a Research Advisory Committee to monitor and effectively integrate the outcomes of projects into the curriculum and implementation of the related curriculum enrichment activities.
- Promoting interdisciplinary research and undertaking collaborative research projects by involving external experts.
- Establishing linkages by undertaking MOUS with research organizations of high repute for expanding the scope of research opportunities for both teachers and students of the College.
- Ensuring quality assurance mechanism in all research activities of the College on par with standard quality requirements.
- Researchers are encouraged to undertake collaborative research at the national and international level in specific areas.
- For extending research guidance to M.Phil. & Ph.D. scholars and having published articles, supervisors and faculty members are encouraged with monetary benefits through incentives.
